Words from the Wise:

A man that hath friends must show himself friendly. And there is a friend who sticketh closer than a brother. Proverbs 18:24

Greetings Brethren,

I would just like to say I hope everyone has started the year off in a good way and hope you and your family are doing well. For sometime now I have called many of you to say hello and to express an interest in seeing you back in the lodge. I have also had the pleasure of conversing with many of you who have been members of our lodge for years. But I have not yet had the pleasure of meeting you. So I would like to say with all sincerity come on out and fellowship with us. I believe it will do you good as it does all of us who meet here regularly. Those of you who are struggling with health issues and are taking care of sick loved ones our thoughts and prayers are with you.

God Bless You.
